CARGO TRAILERS

CARGO TRAILERS

WHY BUY A HAULMARK CARGO TRAILER?

You want to spend your hard-earned money wisely. Haulmark understands — and delivers cargo trailers with smart, rugged designs that will deliver day-after-day, year-after-year.

With the industry's best materials, workmanship and engineering, Haulmark Cargo trailers are as rock solid as they are versatile. Choose from 14 different models and sizes or work with your Haulmark dealer to customize a unit that's perfect for your specialized hauling needs.

And while Haulmark has one of the lowest claims rates in the industry, you can rest assured that our superior 3-year warranty is standing by if you need it.

Haulmark offers an impressive lineup of Cargo trailers — from petite single axle 6' long trailers to rugged triple axle workhorses — there's a trailer for everyone and every job. Whether you're transporting precious antiques, delivering office furniture or hauling a load of lumber — Haulmark trailers can do the job every time, anywhere.

HLC

A Haulmark Lite Cargo trailer's name says it all. It's designed for recreationalists and hobbyists with lite loads. It's lite on the budget too.

Coupler Type	2" or 2 5/16"

Floor	5/8" or 3/4" ply
Rear Door	Double Doors
Side Door*	32"
GVWR	Up to 7,000 lb
Payload Capacity	Up to 5,425 lb
Hitch Weight	100 to 260 lb
Ramp	Optional
Color Options	White
Warranty	3 yr limited

* Side door is not an option on 5' wide models.

TRANSPORT

With thousands of models on the road today, the Transport is Haulmark's most popular trailer. Known for its versatility, the Transport works and plays hard.

Coupler Type	2" or 2 5/16"
Frame Construction	2x3 or 2x4 Tube
Box Length	6' to 16'
Box Width	4' to 7'
Axles	Single or Tandem
Floor	3/4" plywood
Rear Door	Single or Double
Side Door*	32"x60" to 36"x72"
GVWR	Up to 7,000 lb
Payload Capacity	Up to 5,320 lb
Hitch Weight	105 to 280 lb
Ramp	Optional
Color Options	Eleven
Warranty	3 yr limited

* Side door option on 5' wide models.

"The Haulmark trailer has just been all around one of the best trailers I've ever had. And everybody that sees my Haulmark comments on how nice a trailer it is, and how well put together it is."

Chris G., Rowley, IA

THE OPTIONS YOU WANT & NEED

Slider windows can be added in multiple locations to bring in extra light and air.

Haulmark's E-Track tie-down system provides a convenient way to secure your vehicles and equipment.

Optional spare tire mounts keep spare tires out of the way and secure while in transit.

Side and roof vents can be added to help with air circulation and to provide a source of light.

Optional recessed exterior Quartz lights are flush with exterior trailer side walls, leaving less chance of damage.

To create a more functional workspace, storage cabinets can be added to most trailer models.

CARGO TRAILER EQUIPMENT*

Easy-to-use, fold-down stabilizer jacks provide the ultimate stabilization during loading and unloading.

D-Ring tie downs allow for you to fasten your load quickly and securely.

Easy-to-get-to wall switches are conveniently placed by side entry doors.

Front caps are engineered to be aerodynamic and attractive.

Interior dome lights illuminate your cargo area for maximum visibility during loading and unloading.

Eye-catching stone-guards protect your trailer from damaging rocks and debris.

***The above features are available on most Haulmark Cargo Trailers. See your dealer or the enclosed detailed standards sheet for specifics on your model of choice.**

CHOOSE A COLOR THAT MATCHES YOUR STYLE

Make your trailer your own. Haulmark offers 11 different color choices. See your dealer for more information about this popular option.

***The above paint colors are approximations of the final product. Final color may vary.**
